CATALOGUE.

For information apply to Mr. Geo. J. Heuston who has charge of the collection.

The Chicago Art League was organized fifteenth day of March, eighteen hundred and eighty, for the purpose of mutual improvement, and for the benefit of art in general throughout the city. It contained fourteen members, some of whom are no longer associated with the Institution.

Since the formation of the Club its membership has increased from the charter number to twenty.

The League held its first and second annual exhibitions at O'Brien's Gallery and the third was given in these galleries last year.

It is the intention of the Association to invite contributions from artists throughout the country for a general exhibition to be held under the Club's auspices once each year, in addition to the regular annual collections.

The League wishes to acknowledge its indebtedness to the Chicago Art Institute for the use of the galleries.
