MRS. WILL HEBRICK, • • • Art Institute, Chicago
MISS HORTENSE GIMBEL, St. Louis School of Fine Arts
MISS ROSE SCHOENBRUN, Chase School of Art, New York City

The Sketch Book covers a field in art distinctively its own. Its purpose is to bring the work of students before the public and to secure them proper recognition.

MR. JOHN H. VANDERPOEL
will contribute a series of thirty articles on The Drawing and Construction of The Figure, beginning in February, 1925, and running through thirty consecutive numbers. Free scholarships may be obtained in any art school in the United States through the office of The Sketch Book. Write for particulars.

THE SKETCH BOOK
CHICAGO
GRAND CANYON
OF ARIZONA

Pictures of it: For it sets all need the season's novelty—a Grand Canyon photograph album, expertly planned for small sale, accurately reproduces the Canyon scene. Or, for same price, a set of four black-and-white prints, ready for framing.

Books about it: For those who read a Grand Canyon book, all know of the national park and cover it equally, as a river or a mountain, with special interest, worthy a place in any library. Or, still very few publications.
