THE ART INSTITUTE OF CHICAGO was incorporated May 24, 1879, for the "training and maintenance of schools of art and design, the formation and exhibition of collections of objects of art, and the cultivation and extension of the arts of design by any appropriate means." The Museum building upon the Lake Front, first occupied in 1893, is open to the public every week day from 9 to 6, Sundays from 12:15 to 10 p. m. Admission is free to members and their families at all times, and free to all upon Wednesdays, Saturdays, Tuesdays and public holidays.

The Art School, in the same building, includes departments of Drawing, Painting, Sculpture, Illustration, Decorative Designing, Normal Instruction, and Architecture.

All friends of the Art Institute are invited to become members. Annual Members pay a fee of ten dollars a year. Life Members pay one hundred dollars and are three-fourths exempt from dues. Governing Members pay one hundred dollars on election and twenty-five dollars a year thereafter. Upon the payment of four hundred dollars, Governing Members become Governing Life Members and are three-fourths exempt from dues. All receipts from life memberships are invested and the income only expended.

All members are entitled, with their families and visiting friends, to admission to all exhibitions, receptions, public lectures, and entertainments given by the Art Institute, and to the use of the Ryerson reference library upon art.

Visitors desiring to see the collections of the Museum under guidance may make appointments with the museum instructors at the office of the Director.
