The Art Institute of Chicago was incorporated May 24, 1879, for the “founder and maintenance of schools of art and design, the formation and exhibition of collections of objects of art, and the cultivation and extension of the arts of design by any appropriate means.”

The museum building upon the lake front, first occupied in 1891, is open to the public every week day from 9 to 5:30, Sundays from 12:15 to 9 p.m. Admission is free to members and their families at all times, and free to all upon Wednesdays, Saturdays, Sundays, and public holidays.

The Art School, in the same building, includes departments of Drawing, Painting, Sculpture, Decorative Designing and its allied branches, Normal Instruction and Architecture.

All those interested in the Art Institute are invited to become members. Annual Members pay a fee of Ten Dollars a year; or upon payment of One Hundred Dollars become Life Members and are thenceforth exempt from dues.

During the past year the Trustees have established the Sustaining Membership. This will afford an opportunity to those who wish to make an annual subscription larger than the Annual Membership. Sustaining Members may pay any amount in excess of Twenty-five Dollars a year. All friends are urged to join this class of members so as to furnish the additional money which must be obtained to maintain the Museum.

Governing Members are elected by the Trustees and are limited to two hundred. Upon the payment of Four Hundred Dollars in addition to their initiation fee of $100.00, Governing Members become Governing Life Members and are thenceforth exempt from dues. All receipts from Life Memberships are invested and the income only expended.

All members are entitled, with their families and visiting friends, to admission to all exhibitions, receptions, public lectures, and entertainments given by the Art Institute (excepting the Sunday concerts), and to the use of the Ryerson Library.

Visitors desiring to see the collections of the museum under guidance may make appointments with the museum instructors in Gallery 16.

CATALOGUE

This special exhibition is being circulated by the Detroit Museum of Art and was selected by Messrs. Childs Haisan, Clifford Beal and Paul Dougherty, well-known American artists and superior craftsmen in water color. It presents the single phase of transparent water color, and shows the importance and superiority of this medium in the hands of artists, skilful in the use of their materials.
