THE ART INSTITUTE OF CHICAGO was incorporated May 24, 1879, for the "founding and maintenance of schools of art and design, the formation and exhibition of collections of objects of art, and the cultivation and extension of the arts of design by any appropriate means." The museum building upon the lake front, first occupied in 1893, is open to the public every week day from 9 to 5:30, Sundays from 12:15 to 9 p.m. Admission is free to members and their families at all times, and free to all upon Wednesdays, Saturdays, Sundays, and public holidays.

The Art School, in the same building, includes departments of Drawing, Painting, Sculpture, Composition, Etching, Decorative Designing and its allied branches, Normal Instruction, and Architecture.

All those interested in the Art Institute are invited to become members. Annual Members pay a fee of ten dollars a year, or upon payment of one hundred dollars become Life Members and are thenceforth exempt from dues.

In 1919 the Trustees established the Sustaining Membership. This affords an opportunity to those who wish to make an annual subscription larger than the Annual Membership. Sustaining Members may pay any amount in excess of twenty-five dollars a year. All friends are urged to join this class of members so as to furnish the additional money which must be obtained to maintain the Museum.

Governing Members are elected by the Trustees and are limited to two hundred. Upon the payment of four hundred dollars in addition to their initiation fee of one hundred dollars, Governing Members become Governing Life Members and are thenceforth exempt from dues. All receipts from Life Memberships are invested and the income only expended.

All members are entitled, with their families and visiting friends, to admission to all exhibitions, receptions, public lectures, and entertainments given by the Art Institute (excepting the Sunday concerts), and to the use of the Ryerson Library.

Visitors desiring to see the collections of the museum under guidance may make appointments with the museum instructors in Gallery 16.

"The Art Institute of Chicago is a museum with permanent collections which are rapidly assuming considerable proportions; it is an art school which is the largest in the country, measured by the number of students who attend its classes, and one of the best, judged by the standard of work attained; it is a lecture bureau which provides lectures on artistic subjects for almost every day during the winter; it is a library of books on art and of photographs of works of art; and it is an exhibiting body which holds several important annual exhibitions besides a constant succession of special exhibitions of one sort or another."—Kenyon Cox.
