THE ART INSTITUTE OF CHICAGO was incorporated May 24, 1879, for the "founding and maintenance of schools of art and design, the formation and exhibition of collections of objects of art, and the cultivation and extension of the arts of design by any appropriate means." The museum building upon the lake front, first occupied in 1893, is open to the public every week day from 9 to 5, Sundays from 12:15 to 8 p.m. Admission is free to members and their families at all times, and free to all on Wednesdays, Saturdays, Sundays and public holidays.

The School of the Art Institute consists of The Fine Arts Division, which includes Drawing, Painting, Sculpture, the Graphic Arts, and Teacher Training; and the Industrial Art Division, within which are the Departments of General Industrial Design, Advertising and Printing Design, Interior Architecture, and Architectural Sculpture.

The school includes a School of the Theatre, teaching dramatic technique in all its phases. Performances by the Acting Company of the School are given to members in the Kenneth Sawyer Goodman Memorial Theatre.

All those interested in the Art Institute are invited to become members. Annual Members pay a fee of ten dollars a year, or upon payment of one hundred dollars become Life Members and are thenceforth exempt from dues.

In 1919 the Trustees established the Sustaining Membership. This affords an opportunity to those who wish to make an annual subscription larger than the Annual Membership. Sustaining Members may pay any amount in excess of twenty-five dollars a year. All friends are urged to join this class of members so as to furnish the additional money which must be obtained to maintain the museum.

Governing Members are elected by the Trustees and are limited to two hundred and fifty. Upon the payment of four hundred dollars in addition to their initiation fee of one hundred dollars, Governing Members become Governing Life Members and are thenceforth exempt from dues. All receipts from Life Memberships are invested and the income only expended.

All members are entitled, with their families and visiting friends, to admission to all exhibitions, receptions, public lectures, and entertainments given by the Art Institute and to the use of the Ryerson Library and Burnham Library.

Visitors desiring to see the collections of the museum under guidance may make appointments with the museum instructors in Gallery 2.
