THE ART INSTITUTE OF CHICAGO was incorporated May 24, 1879, for the "founding and maintenance of schools of art and design, the formation and exhibition of collections of objects of art, and the cultivation and extension of the arts of design by any appropriate means." The museum building upon the lake front, first occupied in 1893, is open to the public every weekday from 9 to 5:30, Sundays from 12:15 to 9 p.m. Admission is free to members and their families at all times, and free to all upon Wednesdays, Saturdays, Sundays, and public holidays.

The art school, affording comprehensive courses in the fine and applied arts, is under the same roof.

All members are entitled, with their families and visiting friends, to admission to all exhibitions, receptions, public lectures, and entertainments given by the Art Institute (excepting the Sunday concerts), and to the use of the Ryerson Library.

Visitors desiring to see the collections of the museum under guidance may make appointments with the museum instructors in Gunsaulus Hall.

SUGGESTED FORMS OF BEQUESTS

I do hereby give, devise and bequeath to The Art Institute of Chicago, an Illinois corporation, . . . . (amounts or objects bequeathed or list of same) for such uses consistent with the purposes of the aforesaid corporation as the trustees thereof shall decide.

I direct that my executors, out of the remainder of my estate shall set aside stocks, bonds and notes, or other securities of the value estimated by them to be sufficient to make the sum of . . . . . dollars, which I hereby give and bequeath to The Art Institute of Chicago, an Illinois corporation, for uses consistent with its purposes as the trustees thereof shall decide.

I give, devise and bequeath to The Art Institute of Chicago, a corporation of the State of Illinois, . . . . . . . . . . dollars to be held and applied by the trustees thereof for the uses and purposes of that institution.

I give, devise and bequeath to the said The Art Institute of Chicago, an Illinois corporation, the lands, tenements and hereditaments aforesaid, the leases and all my interest therein and in the covenants therein contained and in the rents to accrue thereunder, and also the reversions in fee in the lands above described.

I direct that my executors shall from my general estate pay over in convenient installments to the trustees of The Art Institute of Chicago, an Illinois corporation, such amounts as shall equal . . . . . . . . . . dollars per annum for the period from the date of my death until the . . . . . . day of . . . . . . , 19 . . . , which amounts I give and bequeath to the aforesaid The Art Institute of Chicago to be received and applied by its Trustees.

The Trustees are deeply grateful to those who have already made gifts and bequests, and earnestly solicit all those wishing to aid and encourage the Art Institute in the great work which it is accomplishing with comparatively small resources, either to give or bequeath to it money or works of art of the high degree of excellence to which it must needs aspire. Endowments are greatly needed for maintenance and acquisition of Far Eastern and classic original art objects, original sculpture, building, particularly the Children’s room and museum now in course of construction, also to endow the Art school and place it on a permanently paying basis; for the Industrial Arts school; for dormitories and other equipment needed.
Chicago, January 1, 1924.

To the Governing Members of the Art Institute of Chicago:

The year 1923 will rank as one of the most constructive in the history of the Art Institute. While it is true that both in gifts of collections and in bequests we have not equalled last year’s record, yet in physical growth we have surpassed the record of any previous year. When it is realized that our grants from the South Park Board now extend from Monroe Street to Jackson Boulevard, a line running north and south 845 feet in length as compared with our frontage on Michigan Avenue of 400 feet, and that the average width of this area amounts to 245 feet, all of which has been excavated or in process of being excavated and surrounded by a heavy retaining wall, the significance of the year’s work and its bearing on future growth is vividly realized. In this area, to which your Trustees have given the name of Hutchinson Wing, the following galleries have been completed and installed: the Mr. and Mrs. John G. Shedd Gallery, the two galleries for the collections presented by the Antiquarian Society, a gallery for special exhibitions of the Antiquarian Society, five galleries for Chinese and Japanese art. The Alexander McKinlock Memorial Court is also almost completed and its galleries are in use by the School as well as for temporary exhibitions. Installation to the south is almost completed on the following galleries: A Chinese Room, housing the Buckingham Collections, which have been moved from the second floor of the main building, a Gothic Chapel to house the Buckingham Collections of Gothic Art, a gallery for Persian miniatures, the Buckingham Jacobean Room, two English rooms of later periods, the Dangler Régence Room, and the Hibbard Dutch-Frisian Room. From Monroe Street, an area has been set aside for the Kenneth Sawyer Goodman Memorial Theatre, construction of which will soon begin. Your Trustees have decided to make the Theatre a department of the School to be maintained as a School of Dramatic Art. Flanking Jackson Boulevard an excavation is now under way where it is hoped to erect a School of Industrial Art to train designers for American industry. The Association of Arts and Industries is now engaged in a drive to raise funds for the erection of a building on this site. Between the School
on the south, the Theatre on the north, and the completed Alexander McKinlock Memorial Court in the centre there is ample room for further museum extension at a low cost.

The Print Department has been removed to the first floor and now occupies five galleries. A Print Library will be installed during the coming year in close proximity to the print collections. This is the first of what we hope may be a series of Departmental Study Rooms for the serious student.

The Loan Collection of Spanish paintings, to which has recently been added an important early Velazquez, has been removed to Gallery 50 on the second floor. The Children's Museum will occupy Gallery 1. These changes enable us to install our paintings together on the same floor and to keep our collections of Oriental as well as Decorative Arts together.

Our Annual Budget is now about $600,000. The fiscal year of 1923 was begun with a deficit of $45,000. During the year the staff of the museum and School were able, by their zeal and cooperation, not only to reduce this deficit but to dissipate it altogether.

The Life Membership Endowment Fund has increased during the current year from $473,300 to $527,300. We now have over 13,000 members, more than any other institution or society in Chicago. As an evidence of the appreciation of the services of our beloved President and the affection in which he is held by the people of Chicago, it may be mentioned that subscriptions to the Hutchinson Wing now amount to a total of $1,143,050, of which $783,177 has been paid. $75,000 is now due and during the current year $656,176 will be received. These subscriptions include $250,000 received from Mr. and Mrs. William O. Goodman for the erection of the Kenneth Sawyer Goodman Memorial Theatre, and $200,000 received from Mr. and Mrs. George A. McKinlock for the Alexander McKinlock Memorial Court.

Subscriptions to the Children's Museum have reached a total of $6,859. We hope to make the initial exhibition in this gallery in February. To carry out the extension features of this work with
the children at least $100,000 will be necessary. An opportunity to some friend of the Institute to give his name and interest to this worthy work is therefore offered.

Mr. Joseph Winterbotham has again shown his interest in the Art Institute by the presentation of $5,000 for an oil painting.

The most important endowment funds received in 1923 are the George W. Sheldon bequest of $170,000 and the Robert Allerton gift of $130,000. Besides these the Trust Fund created by Mrs. Lewis L. Coburn announced last year was increased by $10,000, making it $25,000. The bequests of Adolphus C. Bartlett of $10,000 and Hermann Paepcke of $5,000 were paid during the year. The Joseph N. Eisendrath prize fund, which had been given by him for many years for a painting in the Chicago Artists’ Exhibition, was made permanent by the gift from his widow and family of $3,500. These, with other additions due in part to interest payments added to the capital of various funds, altogether some $380,000, have increased our permanently invested funds to well within the four million mark. The activities of the Art Institute are so great and its growth so necessary to meet the demands of the public and to house its ever increasing collections that in spite of the generosity of its friends it is in debt. It is true our debt has been substantially decreased during the past year, but it is unfortunately still a matter of concern. It now amounts to a total of $167,000.

Appointments to the staff include: Hardinge Scholle, as Assistant Curator of Decorative Arts, and Rose Mary Fischkin, as Head of Magazine Publicity.

The benefactors’ tablet has been enriched by five new names, making a total of 67: Robert Allerton, Annie S. Coburn, Florence H. Crane, Cyrus Hall McCormick, George W. Sheldon.

Accessions to the permanent collections of the Art Institute during the year comprised over 1700 objects; in the number there are 19 paintings, 11 pieces of sculpture, 117 objects added to the Oriental department, nearly 500 coins and medals, 450 objects to Decorative Arts and nearly 500 to the department of Prints.

CLYDE MITCHELL CARR
1869-1923

The Trustees of the Art Institute of Chicago regret deeply that they are called upon to record the death of one of their most highly esteemed colleagues, Clyde Mitchell Carr, who died at his home in Chicago on the fifth day of June, Nineteen Hundred and Twenty-three. He had been a Trustee of the Art Institute of Chicago since Nineteen Hundred and Seven and was intensely interested in its work. Here he rendered conspicuous service not only to the Institute, but to the public at large. His high ideals and clear vision inspired his fellow Trustees, while his genial manner endeared him to all who came in contact with him. His interest in the work of the Art Institute is further manifested by the munificent legacy bequeathed to the Institute in his Will, for which the Trustees wish to record their appreciation and gratitude.
