COMMITTEE ON INSTALLATION
ROBERT ALLERTON, in cooperation with the Director
THE ART INSTITUTE OF CHICAGO was incorporated May 24, 1879 for the "founding and maintenance of schools of art and design, the formation and exhibition of collections of objects of art, and the cultivation and extension of the arts of design by any appropriate means." The charter was amended, taking effect on December 1, 1925, and now reads, "for the object to found, build, maintain and operate museums of fine arts, schools and libraries of art, design, and the drama, with authority to confer degrees and grant diplomas; to build, maintain and operate theaters, lecture halls, workshops and lunch rooms in connection therewith, and to carry on appropriate activities conducive to the artistic development of the community; to form, preserve and exhibit collections of objects of art of all kinds; to cultivate and extend the arts of design and the drama by any appropriate means; to provide lectures, instruction, and entertainments including dramatic, operatic and musical performances of all kinds, in furtherance of the general purposes of the Institute; to receive in trust property of all kinds and to exercise all necessary powers as trustees for such trust estates whose objects are in furtherance of the general powers of the Institute, or for the establishment or maintenance of works of art in the community."

The museum building upon the lake front, first occupied in 1893, is open to the public every week day from September 1 to May 31, from 9 a.m. to 5 p.m.; to 5:30 from June 1 to August 31; Sundays from 12 to 9 p.m. in Summer, to 8 p.m. from June 1 to August 31. Admission is free to members and their families and to school children of Illinois at all times, and free to all upon Wednesdays, Saturdays, Sundays and public holidays.

The art school, affording comprehensive courses in the fine and applied arts, is under the same roof.

All members are entitled, with their families and visiting friends, to admission to all exhibitions, receptions, public lectures, and entertainments given by the Art Institute (excepting the Sunday concerts), and to the use of the Ryerson Library.

Visitors desiring to see the collections of the museum under guidance may make appointments with the museum instructors.
SUGGESTED FORMS OF BEQUESTS

I do hereby give, devise and bequeath to The Art Institute of Chicago, an Illinois corporation, . . . (amounts or objects bequeathed or list of same) for such uses consistent with the purposes of the aforesaid corporation as the trustees thereof shall decide.

I direct that my executors, out of the remainder of my estate, shall set aside stocks, bonds and notes, or other securities of the value estimated by them to be sufficient to make the sum of . . . . dollars, which I hereby give and bequeath to The Art Institute of Chicago, an Illinois corporation, for uses consistent with its purposes as the trustees thereof shall decide.

I give, devise and bequeath to The Art Institute of Chicago, a corporation of the State of Illinois, . . . . . dollars to be held and applied by the trustees thereof for the uses and purposes of that institution.

I give, devise and bequeath to the said The Art Institute of Chicago, an Illinois corporation, the lands, tenements and hereditaments aforesaid, the leases and all my interest therein and in the covenants therein contained and in the rents to accrue thereunder, and also the reversions in fee in the lands above described.

I direct that my executors shall from my general estate pay over in convenient installments to the trustees of The Art Institute of Chicago, an Illinois corporation, such amounts as shall equal . . . . dollars per annum for the period from the date of my death until the . . . . day of . . . . 19 . . . , which amounts I give and bequeath to the aforesaid The Art Institute of Chicago to be received and applied by its Trustees.

The Trustees are deeply grateful to those who have already made gifts and bequests, and earnestly solicit all those wishing to aid and encourage the Art Institute in the great work which it is accomplishing with comparatively small resources, either to give or bequeath to it money or works of art of the high degree of excellence to which it must needs aspire. Endowments are greatly needed for maintenance and acquisition of Far Eastern and classic original art objects, original sculpture, also to endow the Art school and place it on a permanently paying basis; for the Industrial Arts school; for dormitories and other equipment needed, for the enlargement and wider usefulness of the libraries.
To the Governing Members of the Art Institute of Chicago:

The greatness of a public institution is measured by its service to its community. The quality of that service is dependent on the devotion and wisdom of its Trustees and the ability of its staff. The older Trustees of the Art Institute, looking forward to the time when they may no longer carry on the legislative work of the institution, have voluntarily withdrawn from the so-called Active Trustee group and now are classified as Honorary Trustees. Fortunately this change in nomenclature has no bearing on the status of honorary Trustee. They have the same privileges and the same responsibilities. They did not, in any sense, think of themselves as Elighahs, except in the distant future. It was merely a stratagem on their part to enlist a group of younger men to share their councils and their burdens.

The Honorary Trustees of the Art Institute are Edward E. Ayer, Edward B. Butler, Wallace L. DeWolf, William O. Goodman, J. J. Glessner, Frank G. Logan and Martin A. Ryerson. Mr. Ryerson was elected Honorary President and Mr. Logan and Mr. Goodman, Honorary Vice-Presidents, ex officio members of all Committees. As active Trustees were elected David Adler, Jr., Walter S. Brewster, John A. Holabird, Chauncey McCormick, George F. Porter, Walter B. Smith, Russell Tyson and Charles H. Worcester. Potter Palmer was elected President and Robert Allerton and Cyrus McCormick, Jr., Vice-Presidents. The number of Governing Members was increased from 200 to 250. Up to the present time, however, only 223 Governing Members have been elected.

The most important accomplishment of the past year was the completion of the Kenneth Sawyer Goodman Memorial Theater, presented by Mr. and Mrs. William O. Goodman in memory of their son, the distinguished playwright. The architect, Mr. Howard Shaw, met difficult limitations with ingenuity and created a playhouse which is as remarkable for its restful beauty and comfort as for its modern lighting equipment and arrangement. Under the direction of Thomas Wood Stevens, the Head of the School of the Drama at the Carnegie Institute of Technology, and a former teacher of Mural Painting in the Art Institute School, the Goodman Theater was formally opened in October of this year. A number of plays have been produced, some for the first time on any stage, by
the students in the Dramatic School as well as by the instructors of
the school who constitute the Repertory company. Already this
new and unusual venture of the Art Institute, while yet in its
formative and experimental stage, has won a noteworthy place
among the creative arts of Chicago.

In the Teacher Training Department of the School, the degree
of Bachelor of Art Education was awarded for the first time. The
total number of students in the school was 4,043. There are sixty-
eight instructors and crowded classes in all departments. New
scholarships include that of the Tuesday Art and Travel Club of
$396, that of Mrs. C. N. Goodwin in memory of McDonald and
Norton G. Goodwin—$150, the addition to the James N. Raymond
Scholarship Fund of $32,000, making it $44,000, and the Anna Louise
Raymond Fund of $12,000. The gifts of Mrs. James Nelson Ray-
mond toward scholarships in the school now total $56,000. The
Joseph G. Snydacker fund, which ultimately is expected to reach
$20,000 through the sale of paintings bequeathed to the Art Institute
for that purpose, has now to its credit $6,750.00.

The attendance has shown a slight decrease, failing to reach the
million mark set last year.

All classes of membership in the Art Institute now reach 14,546,
an increase of 414. To the Life Membership Endowment Fund,
there has been added this year $96,352. This fund, thanks to the
splendid work of the Membership department, now amounts to
$709,552. Membership losses by death include Edward D. Libbey
of Toledo, an honorary member whose bequest to the Toledo
Museum of Art will with his residuary estate amount to more than
thirty millions of dollars, Abraham G. Becker, Benefactor and
honored member of the Board of Trustees, whose eight years of
service to this institution have been most noteworthy. Other
Benefactors whose loss will be greatly felt are Victor F. Lawson and
Joseph Winterbotham. Regrettfully we must record the loss of the
following Governing Members:

| ABRAHAM G. BECKER | ROLLIN A. KEYES |
| MRS. CHARLES A. CHAPIN | MRS. FRANCES S. KOHLSAAT |
| MRS. S. H. CHURCHILL | VICTOR F. LAWSON |
| JAMES DEERING | MAX PAM |
| WENTWORTH G. FIELD | EDWARD RECTOR |
| CHARLES F. GREY (at 96) | ROBERT W. ROLOSON |

oldest governing member.
Through the bequest of Charles L. Hutchinson we received this year $25,000, from R. W. Roloson $5,000, and from Don Alonzo Moulton $10,000.

The title of Benefactor is given by the Trustees to those whose gifts to the Institution amount to twenty-five thousand dollars or more. The following have been made Benefactors during the year and their names added to the bronze tablet in the entrance lobby:

ABRAHAM G. BECKER
FRANCES K. HUTCHINSON
ALONZO C. MATHER

JAMES R. OWEN
ANNA L. RAYMOND
JAMES NELSON RAYMOND

ETHEL WRENN

By the bequest of Abraham G. Becker, we received $50,000, a fund unrestricted in its use. Frances K. Hutchinson relinquished her life interest in the important collection of Dutch, English and American Paintings left to her by our late President, Charles L. Hutchinson.

Alonzo C. Mather has given $50,000, which will enable us to excavate an area between the main building and the balustrade on the north and west and to house there a paint shop, photographic studio, storage for paintings, club rooms for the school faculty and additions to the restaurant. This has been a most practical and useful gift. I have already referred to the Raymond Scholarship funds. In addition Mrs. James Nelson Raymond has established a fund of $100,000, from which during her life she is to receive an annuity. Other annuity funds include an addition of $5,000 to the L. L. and A. S. Coburn fund, given by Mrs. Lewis L. Coburn, and $202,000 given by Kate S. Buckingham.

When Mr. John G. Shedd presented an aquarium to the community to be erected in Grant Park, the gift was made contingent upon its maintenance by the public. It was necessary, therefore, to amend the existing law under which both The Art Institute and The Field Museum of Natural History have been receiving about $115,000 annually through the South Park Board. The Field Museum and the Art Institute then took occasion to ask jointly for increased maintenance and a bill was introduced in the State Legislature to amend the law governing museums which was supported by the three institutions concerned as well as by the South Park Commissioners,
whose able President, Mr. Edward J. Kelly, personally appeared before the Revenue Committee. The Art Institute was represented by Percy B. Eckhart, whose summary of the service and needs of this institution resulted in the passage of the bill with scarcely a dissenting voice. This will give the Art Institute during the year 1926, $165,000, and for 1927 and thereafter the sum of $180,000 annually for maintenance.

The Investment Committee, Walter B. Smith, Chairman, Charles H. Thorne, Walter S. Brewster and Ernest A. Hamill, after careful study exchanged securities of the par value of $592,000 for others costing $593,500, by which action they increased the capital $1,425 and the yield $3,552.62 a year.

During the year the Charter and By-Laws were amended to cover the new and prospective activities of the institution.

The temporary exhibitions held during the year, including those of the Arts Club, were seventy in number. This is more than three times the number of temporary exhibitions offered by any other museum.

The Children’s Museum has grown in usefulness and interest. Mrs. Charles H. Worcester has added to the Endowment Fund founded by herself and her husband, the sum of $20,000, subject to an annuity. The fund is now $70,000, of which $30,000 is already producing income in support of the Children’s Museum work. Mrs. Worcester has also given $2,400 to pay the salary of a curator for the Children’s Museum.

The educational work of the Institute has been greatly increased by the appointment of Dudley Crafts Watson, formerly director of the Milwaukee Art Institute, as Museum Instructor. Mr. Watson’s lectures will be given primarily for the benefit of members and children of members, but he will also bring the Art Institute and its collections before the clubs, high schools and community houses of Chicago.

Last summer an experimental course in art appreciation was offered by the Art Institute to College Instructors in Fine Arts. This course was given in collaboration with the Commission of
Education of the American Institute of Architects and financed by the Carnegie Foundation. It was ably conducted by Charles Fabens Kelley, Assistant to the Director.

The Scammon Lectures, interrupted for three years, due to lack of funds, were given in 1925 by Professor Charles R. Richards, who gave six lectures on "Modern Tendencies in European Industrial Art."

Three hundred and five gallery tours, lectures and concerts were given in addition to those offered by the Department of Museum Instruction, with an attendance of 90,814.

The Ryerson Library served last year over 100,000 readers, while 18,500 architects and students made use of the Burnham Library of Architecture. Over 55,000 lantern slides and nearly 15,000 photographs were used by lecturers. The Library Committee have recently made a study of the future growth of the Library and have made recommendations for expansion and extension of service, suggesting the use of Gallery Three, the large Gallery to the south of Burnham Library. As yet, however, the museum has no funds to carry out this program. Departmental Libraries are being developed in the following departments of the School: Goodman Theater, Teacher Training, Printing Arts and Design. The Print Department Library offers especial advantages to students who may wish to examine actual prints and who may at the same time desire to read the literature of criticism. Important gifts to the library include those from Martin A. Ryerson, $2,000, to be used for purchases, and a collection of 5,000 Japanese illustrations. Noteworthy groups of books were received from Robert Allerton as well as through the bequest of Alfred Duane Pell of New York.

The Department of Painting and Sculpture has received twenty paintings forming the collection of Charles L. Hutchinson, including important works by Hals, Corot, Watts and Rossetti: by the bequest of James Deering, four large decorations by Tiepolo, a masterpiece by Manet: Christ Mocked by the Roman Soldiers, and representative canvases by Gari Melchers and Walter MacEwen. Mrs. Emily Crane Chadbourne has given a painting by Joseph Highmore, "Alexander Pope at Twickenham," Percy B. Eckhart, the painting by Leopold Seyffert, entitled "Myself," Charles H. Worcester, Daumier's "Don Quixote and the Windmills" and "L'Espigle"
by Augustus John. Mr. and Mrs. Edward B. Butler increased the Inness Collection by the gift of "A Silvery Morning" in which they retain a life interest. George F. Porter gave a bronze "Dancer" by Degas, and a nude by Jane Poupelet. The Friends of American Art presented a bronze "Unfettered" by Albin Polasek and paintings by William J. Glackens, "Chez Mouquin," and "Evening Hour" by John C. Johansen. From the Goodman Fund a portrait of Lillian Gish by Nicolai Fechin was purchased. "The actress Consuelo" by Zuloaga was purchased through the Wirt D. Walker Fund and the marble "My Mother" by Mestrovic, through the Robert Alexander Waller Memorial Fund. To the Winterbotham Collection was added by purchase "The Circus" by Toulouse-Lautrec and Gauguin's Portrait of Madame Gauguin.

The Department of Oriental Art received from Mr. and Mrs. Samuel A. Marx a collection of Moroccan pottery and carved architectural details, and from John R. Thompson an Isphahan carpet of great beauty. The Orientals, a society formed to assist the work of the Department, was organized. From this society gifts were received of a Ting bowl of the Sung Dynasty and a Persian Gabri bowl. The Getty Collection of Musical Instruments, for the most part oriental in character, was re-installed in the Oriental Section. A remarkable polychrome figure, the gift of Kate S. Buckingham, the Sleeping Avalokitesvara, was given an impressive setting in a small chapel lined with terra cotta tiles of the Han Dynasty and arranged to suggest a Chinese tomb. Helen Gunsaulus, former Assistant in the Field Museum, by the consent of our sister institution has been added to the Art Institute staff where she will be Keeper of Japanese Prints.

The Department of Prints has received twenty-nine drawings, the gift of Robert Allerton, including works by Beardsley, Craig, Delacroix, Forain, Kroll, Maillol, Matisse, Nicholson, Pryde, Ricketts and Rowlandson. A collection of French 18th Century aquatints by Decourtis, Janinet, Debucourt, of exceptional quality has been presented by The Print and Drawing Club, Robert Allerton, Clara Culver Gilbert, Mrs. Charles Netcher, Mr. and Mrs. Potter Palmer, Martin A. Ryerson and The Municipal Art League. The Print and Drawing Club has given 27 engravings, George F. Porter, two drawings by Remisoff, Walter S. Brewster, the Book of
Job, illustrated by William Blake, and two Kensington cases in which to display the loan collection of cancelled plates by Whistler, Robert P. Lamont, two portfolios of color prints. Two aquatints were given by Horace S. Oakley, and four by Mrs. Charles Netcher, who also gave etchings by Millet and Whistler. Martin A. Ryerson gave a portfolio of woodcuts by Hiroshige. The John H. Wrenn Memorial fund now amounts to $10,350. It is expected ultimately to reach $20,000.

The Department of Decorative Arts has had numerous important additions, among them a series of English rooms of the Georgian period, once part of the London residence of Sir John Thornhill. The entrance hall has a series of panels of figures attributed to the painter William Hogarth. This noteworthy series is the gift of Mr. and Mrs. Richard T. Crane, Jr. A black and gold 18th Century lacquer room, the gift of Martin Roche, to be called the William Holabird and Martin Roche room, is now being installed. Robert Allerton has given a Portuguese room, also of the 18th Century, of the Chinoiserie type, painted panels portraying legends of the Iberian peninsula, alternating with narrow mirrored strips. Mr. Allerton has also added largely to the collections of English and Continental glass and the 18th Century textiles already presented by him. Two Queen Anne chairs of extraordinary quality are included in his gifts to this Department. From the Antiquarian Society comes a Queen Anne mirror and from Kate S. Buckingham a collection of English cottage ware porcelain and a French Gothic armoire of the 15th Century with linenfold pattern paneling. Mrs. Henry C. Dangler has added a beautiful crystal lustre, four bronze side-lights and an lacquer and gilt pendule to the Regence room. Arthur T. Aldis and Russell Tyson have added a number of pieces to the collection of modern pottery and porcelain established by them.

The following gifts have been received—for the most part the completion of donations to the Hutchinson Wing: Emily C. Chapin, $1,500; Chauncey Keep, $1,000; John A. Spoor, $1,666.66; Cyrus McCormick, Jr., $5,000; Mrs. Emily Crane Chadbourne has again made a greatly appreciated unrestricted gift of $7,210, in addition to $9,000, balance on her $25,000 subscription.
The funds of the Art Institute, restricted as to income, now amount to $2,118,790.65, an increase of $194,823.55. The income from $634,379.17 of this amount is not available because it is applied to trusts and annuities. The unrestricted funds amount to $2,622,873.36, an increase of $186,364.64. Our budgets are always made up in a conservative way. Last year our budget deficit was about $25,000 and we hope this year to keep it near this figure.

The policy of most museums is to spend income on acquisitions. The income of the Art Institute is spent largely in service to the Community. As a result of this policy the Art Institute ranks about eighth among American Museums, considered from the point of view of its ability to purchase works of art in the open market. The few purchase funds at its disposal can only be used for paintings and modern sculpture. The Art Institute is so strongly intrenched in the affections of Chicagoans, that they are apt to consider its achievements of the past few years with pride and complacency. I believe the Art Institute to be a busy and useful institution. I do not believe it is a great museum and I do not believe the Governing Members of the Institution should begin to think of it as a great museum until at least five millions of dollars have been added to its endowment fund.
