The year 1935 brought with it severe losses in income through called bonds, smaller tax collections and uninvested funds. While we are again glad to report a balanced budget for the current year, it must be confessed that, without severe curtailment of activities, a deficit is probably unavoidable in the year 1936.

More cheerful news comes from the Membership Department which added $31,166.61 to the Life Membership Endowment Fund. This important maintenance fund amounts to $1,350,820.61 today. The net income of the Membership department was nearly 10% larger than in 1934. We now have a total membership in all classes of 14,110.

The total attendance for the year amounted to 919,620, a natural decrease from the abnormal World’s Fair attendance of the last two years.

The cost of the proposed addition to the Museum having proved prohibitive, the Trustees, in May, decided to postpone construction until adequate funds were in hand. Meanwhile an experimental building was erected which enabled the staff to carry on a series of experiments in lighting various types of objects. These experiments we hope to continue and to add to the valuable data already collected. As an immediate result of these experiments we proudly call attention to the artificial lighting of three galleries in the Decorative Arts Department for which funds were generously supplied by Robert Allerton. This method of lighting giving an evenness of distribution over the entire wall area heretofore unobtainable was made possible by the invention of a flexible lamp.
control system which, when patented, may find wide general use.

Through the courtesy of the Chicago Park District the Goodman Theatre Drive has been made available as a parking area for our patrons on Sundays and the East entrance to Gunsaulus Hall has been opened from 12 to 5 P. M. for the convenience of these visitors.

The Art Institute School shows an increase in enrollment in all departments of more than 5%.

The degree plan inaugurated in cooperation with the University of Chicago in the fall of 1934 has proved to be a highly satisfactory arrangement. The degree of Bachelor of Fine Arts was awarded to 30 candidates in June, 1935, and approximately 100 students declared themselves candidates for the B. F. A. degree at the beginning of the fall term, 1935.

Prior to the opening of the 1935 Summer Session the School entered into a coöperative arrangement with the Saugatuck School of Painting, which has been conducted for a number of years under the direction of Frederick F. Fursman. This plan makes it possible for students to enroll for outdoor painting and figure painting at Saugatuck and earn academic credit in the School of the Art Institute of Chicago. In the summer of 1935 there were several instructors new to the Summer Session—these include: Frances Foy, Gertrude M. Hadley, and Ruth E. Hutchins. A survey course in Graphic Arts Processes was given by Norman Rice, Associate Dean.

Additions to the school faculty include Charles H. Miller, who is conducting an evening course in Photographic Process, and Howard Raftery, who has been added to the instructional staff of the School of Industrial Art.

Representative exhibits of the work of students were scheduled during 1935 in the following cities: Michigan City, Indiana; Milwaukee, Wisconsin; Grand Rapids,
Michigan; Peoria, Illinois; Northampton, Massachusetts; Knoxville, Tennessee; Brooklyn, New York, and Boston, Massachusetts.

While the School as a whole closed the year with a small deficit, the Department of Dramatic Art was able to show a surplus of $3,807.10. This was due, in large part, to the success of the eight plays presented for members for which the attendance averaged 599.

The Department of Paintings and Sculpture was enriched by the gift by Mr. and Mrs. Carter H. Harrison of twelve modern paintings as follows:

Mr. and Mrs. Charles H. Worcester added the following works to their collection:

The "Alabaster Vase," by Alessandro Bonvicino, was presented by Mr. and Mrs. William O. Goodman.

The following paintings were acquired by purchase: "Conversation" by Marcellin Desboutin for the Mr. and Mrs. Lewis Larned Coburn Memorial Collection; "Adoration of the Magi" by Jacob Cornelisz van Amsterdam; "A Beach in Brittany" by Gustave Courbet and "The Storm" by Georges Michel from the Wilson L. Mead Trust; "Mountain Landscape" by Joos de Momper
from the Perry Smith Fund; "St. Francis and the Skull" by El Greco and "The Servant" by Diego Velasquez from the R. A. Waller Memorial Fund; "The Artist's Mother" by Jean Etienne Liotard and "Still Life" by Pieter Claesz from the S. B. Williams Fund.

A Benin mask was added to the collection of negro art through the Julius Stewart Memorial Fund and a water color by André Dunoyer de Segonzac, "The Church at Les Arcs," was presented by Mr. and Mrs. William N. Eisendrath.

The most important exhibition presented by this Department was that of Rembrandt and his Circle.

The Department of Prints and Drawings has acquired through purchase fifty-three engravings, etchings and lithographs. An important drawing by Fragonard, "L'Orage," was acquired at the Fauchier-Magnan Sale in London.

Fifty-one prints by the Masters of the 16th to 18th Centuries were presented by Bernard F. Rogers, Sr.; thirty-seven lithographs by Daumier were given by Carter H. Harrison; sixteen modern prints came through the annual gift of the Chicago Society of Etchers. H. R. Warner continued his benefactions to the Department by the gift of "La Gardeuse d'Oies" by Jean François Millet and the "Lonely Tower" by Samuel Palmer.

Additions to the Clarence Buckingham Collection comprise the following:

Over 2,000 visitors and readers have used the print study room. Sixteen exhibitions have been presented by the Department, of which the prints and drawings given in Memory of Charles Netcher II and the prints pur-
chased from the Albert H. Wolf Memorial Fund were outstanding.

The Department of Decorative Arts is again indebted to Robert Allerton, who financed the rearrangement, lighting, floor and wall coverings in a series of exhibition galleries, as well as the construction and equipment of two sadly needed storages. Important accessions to this Department include a collection of American, English and French footwear and buckles given by Mrs. J. Ogden Armour; the addition of sixteen pieces to the Mr. and Mrs. Edward E. Ayer Lace Collection; six Mexican samplers given by Mrs. Charles H. Worcester; a seventeenth century English sundial, “The Slave,” added to the Howard Van Doren Shaw Memorial, as well as additions of ceramics, glass, textiles and furniture to the Charles Netcher II Memorial, the gift of Mrs. Charles Netcher II.

During the year seven temporary exhibitions were presented by this Department.

The Department of Oriental Art reports the addition of fourteen glass and ceramic pieces to the Logan-Patten-Ryerson Collection. A Han pillar and a Persian miniature, a leaf from the Manafi-al-Hayawan of the 14th Century, were added to the Lucy Maud Buckingham Collection. Fifty Japanese prints, including work by Okumura Masanobu, Suzuki Harunobu, Torii Kiyonaga; and triptychs and diptychs by Katsukawa Shunzan, Chokusai Eisho, and Kitagawa Utamaro were acquired for the Clarence Buckingham Collection.

“The Orientals” presented a K’o-ssu robe, Chia Ching period, and three Sung molds from which decorative pottery was made.

Through the Nickerson Fund the following purchases were made: A pair of Chinese polychrome pottery horses, Six Dynasties; a Chinese Ming brocade panel; an unglazed pottery well, Han Dynasty, and a small metal mirror of the Han Dynasty.
Eight temporary exhibitions were presented by this Department.

The Department of Education in 1934 offered a series of ten free lectures to adults, filling Fullerton Hall to capacity. Through the generosity of Miss Florence Dibell Bartlett it has been possible to continue these free lectures so successfully that many visitors have been unable to obtain seats. It is our hope that our educational work may be adequately endowed so that many free courses in the Fine and Applied Arts may be offered to Chicago citizens who are unable to pay the fees charged in our regular courses.

During the year 1935 the following exhibitions were held in the Children's Museum: Paintings by Mexican Children in the Open Air School at Taxco under the Teacher, Tamiji Kitagawa; The Development of Landscape Painting from the 15th to the 20th Century (Illustrated with large colored reproductions borrowed from the Lantern Slide Department of the Ryerson Library); two exhibitions of the work done by the children in the Saturday Classes of the Art Institute School, and The Art of the Book (showing the arts of typography, of illustration and of binding). The winter series of free talks for children, given on Saturday mornings at 9:15, was on "Oriental Art"; the spring series on "Italian Architecture, Sculpture, and Painting"; the fall series is called "All the Ways of Building." In the spring a new series of gallery talks for the Children of Members on Saturdays from 12:30 to 1:00 o'clock was inaugurated with such response that twelve more were given during the fall.

Last fall also the Children's Museum offered to give five gallery tours a week to public school children brought in classes by their teachers. This is now in full swing with the schedule filled up to the Christmas holidays. It is gratifying that the Board of Education has now reappointed Mrs. Karl A. Buehr to arrange the schedule and
help with this work. Attendance at tours, September 20-
November 30, was 897.

The Extension Department of the Art Institute re-
sumed its regular program of lectures and classes during
the year of 1935. During the two previous years, the
activities were altered by the Century of Progress exhibi-
tions and lecture programs.

There have been two innovations in the department
during 1935. During June and September, ten special
Tuesday afternoon lectures were given to the Members,
and during October, November and December, special
Sunday afternoon lectures have been given in Fullerton
Hall, free to the Members and to the public upon the
payment of a small fee. The capacity of Fullerton Hall
has been taxed for these lectures.

During the year 289 lectures were given in the regular
membership program with a total attendance of 48,793;
131 lectures and classes under the auspices of the James
Nelson Raymond Lecture Fund for Children of Mem-
bers and Public Schools with an attendance of 62,061,
making a total number of programs given by the depart-
ment of 420, with a total attendance of 110,854.

Particularly marked development has come in the adult
sketch class held for Members in Fullerton Hall on Mon-
day evenings and Tuesday mornings, and the classes and
lectures made possible through Anna Louise Raymond’s
gift to the Institute have had an increased attendance of
23,054 over the previous year!

The Department has acquired during the year nearly
400 accurately colored stereopticon reproductions largely
of the paintings in the permanent collections of the Insti-
tute. These reproductions have been made by Miss Marion
Butterwick. The lectures and classes for the year have
been given by Dudley Crafts Watson, assisted by George
Buehr.

Lessened income has cut in half the funds used for
the purchase of books in the Ryerson Library, but
through the interest and generosity of Mrs. Martin A. Ryerson and Alfred E. Hamill, it has been possible to keep intact the long list of essential periodicals and to buy many urgently needed volumes.

Other friends have supplied books on subjects of special value to the Museum staff. Robert Allerton made important additions to the decorative arts: Hornor's Blue Book of Philadelphia Furniture; a monograph on Wolff, the engraver of glass, and Rackham's catalogue raisonné of the famous Glaisher collection of pottery in the Fitzwilliam Museum.

Wace's authoritative and fully illustrated volumes on Near Eastern Embroideries were given by Mrs. Chauncey B. Borland. Other important gifts were received from Carter H. Harrison, Chauncey McCormick, Mrs. Charles L. Hutchinson, Miss C. J. Cromwell, Mrs. K. A. Townsend and others.

There was added to the permanent funds of The Art Institute during 1935 a total of over $107,000. The largest single item received was $31,166.61 for life memberships. This also includes $148.61, the income left by William H. Bush, the "father of the Membership Fund," of certain properties, which have begun to yield income to the estate. Again we have received from the Estate of Mrs. L. L. Coburn an addition to her fund for paintings of $24,750; also from the same source the sum of $7,500, an addition to the Olivia Shaler Swan Memorial Fund for the purchase of water colors. The fund now amounts to $47,500, while the Mr. and Mrs. L. L. Coburn Memorial fund is increased to $191,750. In both cases this leaves only outstanding a little over 4% of the entire bequest of $250,000. We have further received $20,000 from the Estate of Arthur T. Aldis, our Trustee of many years, the income of which is unrestricted. The sons of Mrs. Edith T. Carton, Alfred T. and Laurence R. Carton, have supplemented their mother's bequest, already reported, by $9,000 given in memory of their father and mother.
Cash gifts of importance comprise $5,000 from the Carnegie Corporation of New York to the Ryerson Library for educational purposes connected with the Art School.

The Rosenwald Family Foundation with customary and characteristic generosity perfected with a gift of $2,176 the deficiency in the income of the Augusta N. Rosenwald Fund. Mrs. James Nelson Raymond, whose helpful affection for the youth of this city is above praise, has again seen to the continuance of the lectures and classes she has instituted under the James Nelson Raymond Lecture fund for Children of Members and Public Schools with gifts aggregating $2,000. From the Flora E. Miles Estate came a distribution of $1,900, making now $5,000 toward a legacy of $10,000 for a painting.

The following were made Hon. Governing Life Members: Charles A. Coolidge, Charles S. Peterson, and Alice Roullier.

We mourn the death of the following Governing Members, lost to us during the year:

193 Life Members died during the past year (a list will be found on page 101 in this report).

Through the interest and cooperation of Robert J. Dunham, President of the Chicago Park Board, the three Administration Buildings in Garfield, Lincoln and Washington Parks are being remodeled so that they may be used as branch museums, under the general control of the Art Institute through a Committee of which Chauncey McCormick is General Chairman. Charles H. Worcester is Chairman of the Sub-Committee on Art, and the other members are Chauncey McCormick, Harry L. Engle and Robert B. Harshe.

*Governing Life Members.
A series of Galleries are already in successful operation in the Garfield Park Administration Building and the other buildings will soon be available for exhibition use.

It is hoped that these three centres may each take on a specific character and that soon we may see in our city a Chicago Museum of Folk Art, a Chicago Luxembourg, a Chicago Trocadéro. The Art Institute thus enters into another phase of usefulness and is given the opportunity for broader service.

Robert B. Harshe, Director.

The Art Institute of Chicago was incorporated May 24, 1879, for the “founding and maintenance of schools of art and design, the formation and exhibition of collections of objects of art, and the cultivation and extension of the arts of design by any appropriate means.” The charter was amended, taking effect on December 1, 1925, and now reads, “for the object to found, build, maintain and operate museums of fine arts, schools and libraries of art, design, and the drama, with authority to confer degrees and grant diplomas; to build, maintain and operate theatres, lecture halls, workshops and lunch rooms in connection therewith, and to carry on appropriate activities conducive to the artistic development of the community; to form, preserve and exhibit collection of objects of art of all kinds; to cultivate and extend the arts of design and the drama by any appropriate means; to provide lectures, instruction, and entertainments including dramatic, operatic and musical performances of all kinds, in furtherance of the general purposes of the Institute; to receive in trust property of all kinds and to exercise all necessary powers as trustees for such trust estates whose objects are in furtherance of the general powers of the Institute, or for the establishment or maintenance of works of art in the community.”

The museum building upon the lake front, first occupied in 1893, is open to the public every week day from 9 a.m. to 5 p.m.; Sundays from 12 to 5 p.m. Admission is free to members and their families and to school children of Illinois at all times, and free to all upon Wednesdays, Saturdays, Sundays, and public holidays. The Ryerson and Burnham Libraries are open free (against Readers’ cards on pay days) on week days from 9 a.m. to 5 p.m.; Mondays, Wednesdays, and Fridays also from 6 to 9 p.m.

Patrons may park their cars free on Sunday afternoons in the driveway fronting the Goodman Theatre. Use the East Entrance to the Institute.

The art school, affording comprehensive courses in the fine and applied arts, together with the Kenneth Sawyer Goodman Memorial Theatre, is under the same roof. The latter has a separate entrance at Monroe Street and South Park Drive.

All members are entitled, with their families and visiting friends, to the use of the Ryerson and Burnham Libraries as well as to admission to all exhibitions, receptions, public lectures, and entertainments given by The Art Institute.

Visitors desiring to see the collections of the museum under guidance may make appointments with the Department of Education.

BENEFACTORS AND MEMBERS

BENEFACTORS: Whenever any person shall have contributed fifty thousand dollars or more, or its equivalent, to The Art Institute of Chicago, he shall be named a Benefactor of The Art Institute, and his name shall be printed in each Annual Report under the head of Benefactors of The Art Institute, and also be placed on the Benefactors tablet in the main hall.

Living Benefactors become Honorary Governing Life Members and are henceforth exempt from dues.

HONORARY MEMBERS: Honorary Members are chosen from among persons who have rendered eminent service to the institution.

GOVERNING MEMBERS only shall have the right to vote for or be eligible to the office of Trustee. The number of Governing Members shall be limited to two hundred and fifty. Each Governing Member pays one hundred dollars upon election and annual dues of twenty-five dollars.

Governing Members, upon payment of four hundred dollars, are exempt from dues and are known as GOVERNING LIFE MEMBERS. The receipts from these funds are invested, and the income only expended.

SUSTAINING MEMBERS: Sustaining Members shall be those who contribute twenty-five dollars or more annually to The Art Institute. They shall be entitled to all the privileges of Governing Members, excepting the right to vote for, or be eligible to the office of Trustee.

LIFE MEMBERS: Life Members, upon the payment of one hundred dollars, have all the privileges of Annual Members for life. All receipts from these memberships are invested, and the income only expended.

ANNUAL MEMBERS: Annual Members pay ten dollars a year.

The Art Institute has reciprocal arrangements with a number of other museums, whereby the membership cards of one are honored by the others. This constitutes a valuable privilege when visiting the cities indicated.

Such arrangements are in force with the Metropolitan Museum of Fine Arts in New York; Milwaukee (Wis.) Art Institute; Toledo (O.) Museum of Art; The Cleveland (O.) Museum of Art; Wichita (Kans.) Art Association; The Charleston (S. C.) Museum; Fine Arts Gallery of San Diego (Calif.); The Newark (N. J.) Museum Assn. (Newark, Museum); Buffalo Fine Arts Academy; Art Gallery of Toronto (Ont.); Grand Rapids (Mich.) Art gallery.

All members are entitled, with their families and non-resident visiting friends, to all lectures, receptions, and exhibitions given by The Art Institute, with the exception of special entertainments in Fullerton Hall, the Kenneth Sawyer Goodman Memorial Theatre or elsewhere. Sunday concerts are also excepted.

ANNUAL REPORT

SUGGESTED FORMS OF BEQUEST

I do hereby give, devise and bequeath to The Art Institute of Chicago, an Illinois Corporation, . . . . (amounts or objects bequeathed or list of same) for such uses consistent with the purposes of the aforesaid corporation as the trustees thereof shall decide.

I direct that my executors, out of the remainder of my estate, shall set aside stocks, bonds and notes, or other securities of the value estimated by them to be sufficient to make the sum of . . . . dollars, which I hereby give and bequeath to The Art Institute of Chicago, an Illinois corporation, for uses consistent with its purposes, as the trustees thereof shall decide.

I give, devise and bequeath to The Art Institute of Chicago, a corporation of the State of Illinois, . . . . dollars to be held and applied by the trustees thereof for the uses and purposes of that institution.

I give, devise and bequeath to the said The Art Institute of Chicago, an Illinois corporation, the lands, tenements and hereditaments aforesaid, the leases and all my interest therein and in the covenants therein contained and in the rents to accrue thereunder, and also the reversions in fee in the lands above described.

I direct that my executors shall from my general estate pay over in convenient installments to the trustees of The Art Institute of Chicago, an Illinois corporation, such amounts as shall equal . . . . dollars per annum for the period from the date of my death until the . . . day of . . . . . . . . . . . . . . . . . 19 . . . which amounts I give and bequeath to the aforesaid The Art Institute of Chicago to be received and applied by its Trustees.

The Trustees are deeply grateful to those who have already made gifts and bequests, and earnestly solicit all those wishing to aid and encourage The Art Institute in the great work which it is accomplishing with comparatively small resources, either to give or bequeath to it money or works of art of that high degree of excellence which is worthy of a great museum.
