8th February, 1907

Mr. D. H. Burnham,
Railway Exchange, Chicago, Ill.

Dear Sir:—

We beg to acknowledge the receipt of your letter of the 2nd instant.

We will send you in a day or two the latest plan showing the parks and parkways of the Metropolitan System of Boston.

As to reports on Civic Improvement, you might be interested in the reports to the Municipal Baltimore Art Society of Boston—and to the Chamber of Commerce of Detroit by Mr. F. L. Olmsted, Jr. We do not think of any others. We believe a report was published by a committee of the Boston Society of Architects in regard to desirable improvements in Boston. For general civic improvements we think you might get a good deal of information from the American Civic Association, North American Bldg., Philadelphia.

Yours very truly,

Olmsted Bros.
