CALL NUMBER

AUTHOR & TITLE (one citation per form)

The Art Institute of Chicago will make images of visual material from books which are in suitable condition and are not otherwise restricted. The Visual Resources Collection reserves the right to decline orders for photographing copyrighted material, if in its judgment, fulfillment of the order would involve violation of copyright law.

These images may be protected by copyright law (Title 17 U.S. Code) and are for educational purposes only. The Art Institute of Chicago does not transfer any reproduction rights and assumes no responsibility for the violation of copyright. I agree not to reproduce or publish any part of the materials listed below without express written permission from the owner of said copyright.
